**Laboratories testing for CEMO, *Klebsiella pneumoniae* & *Pseudomonas aeruginosa***

The following laboratories are approved by the HBLB for the year December 2009 – November 2010 for testing for *Taylorella equigenitalis* (CEMO), *Klebsiella pneumoniae* and *Pseudomonas aeruginosa* in equine samples. The HBLB Codes of Practice on CEM, *K. pneumoniae* and *P. aeruginosa* advises that swabs taken from mares, stallions and teasers should be sent to an approved laboratory for testing.
